Risky Business: Profitizing Health Care

Hear speakers from Canada, USA and Sweden in a [CARE ECONOMY](#) online forum.
Catch up with what's happening today, what could be happening here tomorrow,
and what we could do about it.

Thursday, February 1, 2024 from 12 noon (EST) to 1:30 pm

What does profitization look like in Ontario hospitals?

Andrew Longhurst, author of *At What Cost? Ontario Hospital Privatization and the Threat to Public Health Care*

What can we learn from the US about the dangers of placing profits ahead of patients?

Claudia Fegan, National Coordinator, *Physicians for a National Health Program*, USA

What can be done about profitization?

Marta Szebehely, Swedish member of Norway's commission investigating how for-profits can be phased out in tax-funded services.
